*Remember * MDKIG'S value is to be useful to members, meetings, and our global community. Usefulness is our goal.*

Responsibility Pledge: *Always to extend the hand and heart of Overeaters Anonymous to those who share my compulsion: for this I am responsible.*

Closing The OA Promise

I put my hand in yours, and together we can do what we could never do alone. No longer is there a sense of hopelessness, no longer must we each depend upon our own unsteady willpower. We are all together now, reaching out our hands for power and strength greater than ours, and as we join hands, we find love and understanding beyond our wildest dreams.
